Buyers from throughout the continent crowd the comfortable Kentucky National sale ring. Will you be among them on March 8?

From The Sale Manager --

Harris Simons

Historically the Kentucky National Shorthorn and Polled Shorthorn Show and Sale is one of the leading consignment sales of the spring season. The reasons for its eminent success are numerous.

★ The grand support of the Kentucky Department of Agriculture both financially and in the arrangement of many details helps to draw cattlemen of the first rank from throughout the country.

★ Premiums in excess of \$9,000 from the Kentucky Department of Agriculture and the Kentucky Shorthorn Ass'n. assure that leading breeders will bring only their very best.

★ The facilities at the Kentucky State Fairgrounds are among the country's best. This year's auction will be one of the first held in the new \$250,000 Newmarket Hall sale arena.

★ The hospitality of the Kentucky breeders is unmatched. They do everything possible to insure a pleasant visit for all. These are farsighted men and women who work long and hard for the expansion of the breed in their own state and on a national basis.

★ And don't forget the cattle themselves. Over the years some of the nation's leading stock bulls and fanciest foundation females have sold in this sale.

With so much to recommend it, the Kentucky National is one sale you'll not want to miss. We look forward to seeing you there.

LOUADA GRAND LEADER — An outstanding son of the noted Louada Royal Leader that we lucked in dam from a good imported cow by Uppermill Seafield. Grand Leader has a tremendous amount of scale and ruggedness combined with breed character and smoothness. We have some 30 cows in calf to him and wish to retain a one-third interest for semen rights, but the buyer will have possession. This will be one of the better bulls to sell this spring. Semen tests very good!

INNESS PUBLISHER — He is out of the same dam that produced Inness Prefect, the 1964 Kentucky Futurity reserve champion bull that is doing so well for Marion Miller of Ohio. The Princess cow is a very regular producer and certainly is the kind of dam you would want for your herd bull. Leveldale Magnate stands on his own record as Illinois State Fair grand champion and is doing a good job in the Inness and Mathers herds. With this pedigree and the quality Publisher displays, we can strongly recommend him.

JOIN THE NATION IN A KENTUCKY VACATION

Kentucky, the center of the nation's pasture belt, offers purebred dairy cattle breeders one of the most unique and effective state supported promotional events recently developed. By providing financial assistance for each of the major breeds, the Commonwealth vividly demonstrates its appreciation for the purebred cattle industry and the contribution it makes to the state and nation. Buyers and sellers of purebred dairy cattle and others who fully appreciate outstanding livestock should find it pleasing and convenient to meet in the Bluegrass State at these annual breed events. Kentucky enjoys a wide reputation as a progressive livestock state due to her rich limestone soil, the wide expanse of nutritious bluegrass pastures, skilled breeders, mild climates, and moderate rainfall. Some of the earliest advances in livestock production and marketing had their origin in this state.
